to Dr. Dod's Lecture on Electrical Psychology is rife with absorbing interest to the whole world; it is self-evident and positively so, no chimera. It is the theory of Professor WATTS—that to equalize the electricity throughout the system you destroy the very cause of all disense. WATTS'S Nervous Antidate does all this, and no one has ever been diseased after using it. Science brings every hour brighter prospects to the human race, but this is the brightest.

TESTIMONIALS.

My thanks 1 publicly tender to Dr. LUTENER, Aurist, ½ Warrenst, for the surprising cure he has performed on me: I was for four years troubled with deafness in one of my ears, accompanied with a disagreeable discharge from the external ear, and I tried the first physicians in this city, Philadelphia, Baltimore, Ginclinnal and New-Orleans, without the least benefit, and was cured by the above named gentleman in the short space of 3 weeks.

JOHN GLOVER, Jr. builder, Franklin-syenne, Brooklyn, was cured of deafness and discharges from the external Ear, of 20 years standing.

Miss AIPELAIDE BROWN, daughter of Capt. Wm. Brown, Bay State steamer. Fall River, wasfcured o very disagreeable discharges and her hearing very considerably benefited.

FRANCIS LOUIS, Prospect Hill, Brooklyn, was as deaf as a post and cured in one week,

WM. WOOD, son of Solomon C. Wood, Goshen, Orange County, was cured of Deafness, accompanied with discharges from the external Ear of 16 years standing in six weeks.

The above cases were considered incurable, and all Deafness attended with Scrofila until Dr. LUTENER'S treatment was discovered. Numerous other teatmontals to be seen at his office 2½ Warren-st.

COPPER MINE SPECULATION.—

I am the PROPRIETOR of One Unityided Half of several COPPER MINES in Connecticut, which are yet not partially developed, but which were examined for me nefore purchasing, by Professor HURBARD, or Yale College, and received a most favorable resort from him, and subsequently from Professor TAYLOR, of Pulmdeighia. These Reports can be seen. Good judges of Copper Mines, believe that HUNDARS OF THOMASIS OF DOLLARS can be realized here, and judging from the results of other Mines of that region, I colleded with this belief and purchased accordingly.
